

Aianna is proud to announce the release of our new IPPBX and been found the best product of the year.

Multitenant IP-PBX Module for [Aianna Voipswitch](#) Receives 2008/2009 Communications Solutions Product of the Year Award

We are pleased to announce that Technology Marketing Corporation (TMC) has named ***the Ip-PBX module for Aianna Voipswitch*** as a recipient of a 2008 Communications Solutions Product of the Year Award.

“Aianna's Voipswitch's focus on providing the industry with a broad reliable advanced robust range of VOIP communication services and quality can be seen in the latest product award announced today,” said Patrick Doualle from Aianna Corp. “This additional feature, coupled with our Mobile Dialers and Softphones continue to strengthen our position as the industry leader in soft-switches globally.”
